

Supreme Presidents Message #7 April 2017

Hello Auxiliary Members,

It's springtime. A Time to go color Easter eggs, a time for spring flowers and with sunny days ahead, to thank God for making it through a long winter and to start new beginnings.

We are getting towards Grand Convention time and then in July Supreme Convention. **Grand and Auxiliary Presidents**, it's time to get your Secretaries and Treasures books ready for audits and inspections. Dot your I's, cross your T's and watch your P's and Q's. Make sure your Treasures have their EIN and have filed their 990's, along with current Audits, Bank statements for last three months, CD statements, saving accounts, etc. Treasurers, be sure the Representatives assigned to your Grand Convention signs your account book, check book and bank statements. Secretaries, be prepared to show your meeting minutes for last month along with copies of the audit in your books. Be sure the Representative signs your book.

Presidents, if you have any questions please ask your Rep. No question should go unanswered. Or please call me.

Hospital chairmen, please get your Auxiliaries to report. Don't let them miss an opportunity to report their good work.

Information on the 2017 Supreme Convention and Hotel is posted. Please check the website under "events".

I thank you for all your support and for all the great volunteering that you do. And I know the year is not done yet. But keep it up!

Thank you

God Bless you all,

Lee Ann Lam
