

MOCA Supreme President's Message August 2016

Hello to all our Auxiliary members.

Welcome to the new year, 2016-17. It is with great pride that I am able to step up to Supreme President.

I wish to thank every member for their support. Thank You to the Past Supreme Presidents for being there and willing to give their knowledge and wisdom and support to the Supreme Auxiliary.

Congratulations to all new Officers and Chairmen for 2016-17. Some changes have occurred and I am asking you to call if you have issues. Call your specific Chairman if you have questions or suggestions. Any ideas are welcome.

Auxiliary members, please work on recruiting new members, have functions to invite new members. Let them see what the Cooties are all about. Our Auxiliary needs to grow and with your help it can happen. Let's work together with the MOC members and have respect for all members.

I am very excited to work with everyone. Please keep myself, the Supreme Secretary and Supreme Treasurer informed of any changes in officers. If you have any functions happening, I might want to attend.

Let's start having a great year!

Sincerely
