

Supreme Presidents Message #8 June 2017

Hello Auxiliary Members,

Summertime is here! Welcome to the heat! I hope everyone will stay cool and remember to drink lots of cool water and frozen drinks.

Just want to say the year is almost over and even though we are all excited to get those awards and enjoy the brief brief break let's remember veterans and military don't get time off. We need to continue to support them in our hospitals, nursing homes, at our military bases and overseas.

I know many of the Pup Tents and Auxiliaries have plans at the Nursing Homes over the summer. My trips have been great. I thank you all for being kind and supportive to the Representatives. Old & New Presidents, please wear your uniforms for the President's Presentation at Convention, including hats. Outgoing Presidents make sure the new Presidents know the proper uniform. The Grands could help new presidents purchase hats from Supreme HQ. Since they are required now.

PRESIDENTS REPORTS & RESUMES. PLEASE SEND ASAP. I will still accept until the end of June!

Safe travels and God bless you all.

Thank you

God Bless you all,

Lee Ann Lam
