

## Supreme Presidents Message October 2016

Hello to all Auxiliary members,

Wow, it's October already. The months are just flying by.

I was very busy in September. I was very fortunate to attend Sharing and Caring cruise in Pittsburgh. Met a wonderful group of hard working Cooties who provide a cruise, luncheon, music and very nice gift bags for our veterans. The veterans arrived in buses and are taken down to the boat, some in golf carts. We had handsome EMTs, fire fighters. It was an honor to meet the veterans and share the day with them. Thank you for the hard working Grand of Pennsylvania for providing a great service to our veterans.

Gordon and I spent several days with Gary & Delpha at the Supreme Headquarters, answered phones. If you are ever in the Turtle Creek area you pay them a visit. You can learn a lot.

From there we drove to New Orleans to visit the Pup Tent Auxiliary there. Assisted in bringing in their first male member. What an honor. Discussed plans for Convention next year. We also visited a couple of hotels with Gary & Delpha for possible Convention selection. Went back home for a couple of days.

Went to Nevada to pay a visit with two of the Auxiliaries there. Did their inspections, whom I can say are doing very well.

Needless to say had a busy month. I am looking forward to seeing you all at Tomb Trek. Hopefully you have sent in your wreath requests.

Please get all your Auxiliary Inspections completed by Dec 31<sup>st</sup>.

Also, as a reminder, your Supreme Visit Requests are due by Dec 31<sup>st</sup>. I have received 3 so far.

Remember, Dues are going up on 1 January. So please consider paying them early.

Great news. We have 4 new Auxiliaries and a couple more in works. I am very grateful for this as we need to continue to grow. We need new members.

Thank you for the work that you all do. Our veterans are Grateful.

Sincerely,

Lee Ann Lam

Supreme President 2016-17
