

Chaplain's Corner

Comrade Chaplains,

With this September being *suicide awareness month*, I wish all chaplains and veterans that read this watch out for our comrades, so in hopes that we can prevent any suicides. Do not be afraid to just listen to those that need an ear. Sometimes just being there for a comrade helps. Please don't forget to *dial 988 then press one* if you need help and may God bless you all!

Here is the "X" (Twitter) link from the VFW National website about suicide prevention month. https://twitter.com/VFVHQ/status/1697594350929068051?t=J_ZcbtnD453ezX0mGc1jTg&s=09

Yours in Comradeship,

David Frei
VFW National Chaplain
