

MILITARY ORDER OF THE COOTIE AUXILIARY

Chaplain Program

Greetings to all of the wonderful members who have stepped up and took this position of Chaplain for your Auxiliaries!

This is a very important part of our organization! This is the place where we show just how loving and caring we are for one another!

One of the ways of communication, of course, is to send a card through the mail. If it's a birthday, imagine that Veteran or family member getting the mail, opening the card, and (can you see it?) the huge smile that comes over their face! A get-well card will help with both smiles and well-being. And a sympathy card shows just how much we care!

Another mode of communication these days is our social media. Did you post a Facebook greeting to a veteran or family member? Or maybe posted a thought of condolences or get well quick.

Also, please don't ignore the phone calls, or the visits. Attend Veterans and their family funerals when you are able to.

Once you have done one of these things, please report it! Also, be sure that ALL members of the Auxiliary know that when they do these things, as well, it is reportable to the Auxiliary Chaplain. Auxiliary Chaplains, you should be asking for any reports from other members during your "Chairman" report at Auxiliary meeting.

Please send any information concerning illnesses or deaths to me as soon as possible even via e-mail, with their information and address. I would like to get it out to our members nationwide in our "Cootie Hugs". I would like to ask that EACH chaplain also please send me an email or letter, introducing yourself. I will also need to know your contact information so that it can be added to my contact list.

Please read the Chaplain's program, and look over the report form. The same form will be used for both monthly and yearly reports. We soon hope to have the report form available online, but don't worry! If you don't use computers, it will still be available to print and send!

Sincerely,
Bobbi Parris
