

Originator of the **Red Star** Program

Back in 2005, **Past Supreme Commander Tom Tweet** proposed a program to help out the Supreme organization. Past Supreme Commander Tweet mentioned that when the U.S. Mint replaces a semi-destroyed dollar bill, it re-issues the serial number, but places a little star in front of the serial number. He suggested that we start a similar program: the Life Member would have their Life Member number re-issued on a new gold-colored card, and a **red star** would be placed in front of the Life Member number, signifying a second donation had been made to help the MOC.
